

To Whom It May Concern,

This letter is to inform you that \_\_\_\_\_ will be volunteering for the Lower Mainland Down Syndrome Society.

Part of the conditions for volunteering will involve working with special need children, teens, and adults with Down syndrome. It is our policy that anyone working directly with these individuals must provide a CRC (Criminal Record Check).

If you require any further information, please contact our office at 604-591-2722, or by email at [lmdss@telus.net](mailto:lmdss@telus.net).

Sincerely,  
Theresa Preston
